 Where only a credit rating appears, this line of credit designation applies. } 1 2 3 4

(d) Where an italic *d* in parenthesis precedes a rating, it is an indication that one or more of the partners in the firm are liable in another or other firms, and the responsibility is in that sense divided, THUS: (*d*) B+1.

The absence of a rating, whether of capital or credit, indicates those whose business and investments render it difficult to rate satisfactorily. We therefore prefer, in justice to these, to give the detailed reports on record at our Offices.

Ratings of Branch Houses should be looked up at Headquarters also.

COLLECTION AND ASSIGNMENT LAWS.

ACTIONS.—All actions are brought in the Supreme Court of Alberta, or in the District Court of one of the Judicial Districts into which the province is divided; or where the action concerns a patent or copyright or certain Federal Acts relating to revenue, etc., in the Exchequer Court of Canada. The judicial districts of the province are: Athabasca, Edmonton, Wetskiwin, Calgary, Macleod and Lethbridge. The jurisdiction of the District Courts extends to all actions for relief, whether for debt or damages or upon any other ground equitable or otherwise, where the amount involved does not exceed \$600, provided the cause of action arose or the defendant resides within the judicial district in which action is brought. The jurisdiction of the Supreme Court of Alberta, which is the Superior Court of the province, is practically unlimited. Appeals may be taken from the judgments at trial of the District Court and of the Supreme Court, to the Supreme Court of Alberta sitting en banc. In case the subject matter of the appeal involves an amount less than \$200 there is no right of appeal without leave of the trial Judge.

AFFIDAVITS.—Affidavits, where made outside the Province are valid for use within the Province if made before (1) a notary public who attaches his seal; (2) a Judge of a Court of Record who attaches the seal of his Court; (3) the Mayor or chief magistrate of any city or town who attaches the common seal of such city or town; or (4) in any foreign country, before a British Consul, Vice-Consul or Consular Agent.

ALIENS.—Aliens may acquire, hold and dispose of real and personal property as freely as British Subjects.

ARREST AND IMPRISONMENT FOR DEBT.—There is no provision for arrest or imprisonment for debt in Alberta, nor is there any provision for the attachment of a debtor who is absconding or about to abscond from the province with the intention of defrauding creditors. Under the provisions, however, of the Criminal Code of Canada, every one is guilty of an indictable offence and liable to a fine of \$800 and to one year's imprisonment who (a) with intent to defraud his creditors, (i) makes or causes to be made any gift, conveyance, sale, etc., of his property, or (ii) removes, conceals or disposes of any of his property; or, (b) with the intent that any one shall so defraud his creditors or any of them, receives any such property; (c) being a trader and indebted in a sum exceeding \$1,000 and unable to pay his creditors in full, has failed to keep ordinary books of account. The code also provides stringent penalties for numerous other offences in matter relating to trade and commerce, such as falsification or destruction of title deeds or other documents, fraudulent sales and hypothecation of warehouse receipts, etc.

ASSIGNMENTS.—Assignments for the general benefit of creditors are void unless

made (1) to the Official Assignee, or (2) with the consent of a majority of the creditors having claims of \$100 and upwards, to some other person resident in the province. The voting power of creditors is regulated as follows: On claims of \$100, one vote; on claims of \$200, two votes; on claims of \$500, three votes; and on every additional \$1,000 or fraction, one extra vote. Creditors must file their claims with the Assignee verified by statutory declaration, and the assignee is required to pay a dividend ratably within six months from the date of assignment. The assignee may be removed by the Court and another person substituted. Wage claims are preferred to the extent of three months wages or salary to persons in the employ of the assignor at the time of making the assignment or within one month prior.

ATTACHMENTS.—After the commencement of an action for \$50 or upwards, upon affidavit of the plaintiff or his agent having personal knowledge of the facts, stating clearly from what cause the debt arose and the amount, and that he has good reason to believe (giving reasons) that the defendant (a) is about to leave or has left the province, leaving behind him personal property liable to seizure, (b) or has attempted to remove such property out of the province or to sell and dispose of same with intent to defeat his creditors generally or the plaintiff in particular, or (c) keeps concealed to avoid service of process; and (d) in either case that the deponent believes that the plaintiff without the benefit of the attachment, will lose his debt or sustain damage; together with a further affidavit by another credible person who is well acquainted with the defendant that he has good reason to believe (giving reasons) that the defendant is about to carry out one of the acts (a), (b) or (c); the Judge may order a writ of attachment to issue to the Sheriff, under which the personal property of the defendant is seized and held until the action is disposed of.

BANKRUPTCY.—There is no bankruptcy law in force in any part of the Dominion of Canada, and there is no means of enforcing an insolvent debtor to assign for the general benefit of his creditors. He may, however, make a voluntary assignment under The Assignments Act, and his assets are reduced and distributed ratably amongst all his creditors who file their claims, notice of the assignment being published in the newspapers. The debtor remains always liable for the full balance of the claims. See Assignments and Creditors' Relief Act.

BILLS OF EXCHANGE AND PROMISSORY NOTES.—The law of bills, notes and cheques is regulated by Federal Act. Three days of grace are carried by all bills and notes excepting those payable on demand. Where they fall due on a Sunday or holiday, they become payable on the next juridical day. Interest does not commence to run until after maturity unless so expressed in the bills or notes. Where no interest is expressed, dishonored bills,

notes and cheques carry 5 per cent. interest under the statute from date of dishonor. Protest must in general be made upon dishonor to hold indorsers.

BILLS OF SALE AND CHATTEL MORTGAGES.—Every mortgage, conveyance or transfer of personal property, whether intended to operate as a mortgage or absolute sale, not accompanied by an immediate delivery and followed by an actual and continued change of possession is void as against subsequent purchasers and mortgagees in good faith, unless the mortgage or conveyance, as the case may be, is in writing and is registered in the office of the Clerk of the Registration District in which the goods lie, within 30 days from the date of the transaction. The registered instrument must be accompanied by an affidavit of a subscribing witness and an affidavit by the purchaser or mortgagee or his agent, as to the bona fides of the mortgage or bill of sale. If the affidavit is by an agent, the authority must be in writing and a copy attached to the registered document. Within 30 days next preceding the expiration of two years from the date of filing of every such mortgage, there must be registered in the office of the Registration District in which the goods are then situate, a renewal statement exhibiting the interest of the mortgagee, his executors, administrators or assigns in the property, and a full statement of the amount still due for principal and interest, and of all payments made on account thereof, with an affidavit of the mortgagee or his assignee, or an agent duly authorized, stating that such statement is true and that the said mortgage has not been kept on foot for any fraudulent purpose; and thereafter such renewal statements must be filed yearly. An agent's authority may be a general one to take and renew mortgages. Under the Bank Act (Federal), Chartered Banks are allowed to take security in the form of a pledge of warehouse receipts, and of the product of the forest, mine, etc., which pledges are valid without registration.

COMMISSIONS.—Commissions for the taking of evidence may issue in any pending suit in the District Courts or in the Supreme Court of Alberta, where a witness is absent and unable to attend trial; the costs of commission as a rule being allowed to the successful party.

CONDITIONAL SALES.—In all sales of goods of the value of \$15 or over, where it is agreed that the property in the goods will not pass to the purchaser until payment is made in full, notwithstanding the actual delivery of possession to the purchaser, the agreement must be in writing and registered in the office of the Clerk of the Registration District in which the goods are situate, within 30 days from the date of actual delivery, accompanied by an affidavit of bona fides by the seller or bailor. In default of such registration the seller or bailor loses his right of property against any purchaser or mortgagee in good faith, or against judgments, executions or attachments.

CREDITORS' RELIEF ACT.—Under the provisions of the Creditors' Relief Act, there is no priority amongst execution creditors. When money is realized by a Sheriff under an execution in his hands, the amount is held by him for 30 days to enable all other creditors of the debtor to obtain judgment and file their executions

with him; or to proceed to file certificates under special provisions of the Act. Upon the expiration of the 30 days the amount is distributed ratably amongst all creditors having at that time executions or certificates in the Sheriff's hands.

EXECUTIONS.—Writs of fieri facias may issue to the Sheriff unless otherwise ordered by a Judge, who may direct execution to be stayed. Executions bind the goods of debtor from time of delivery to the Sheriff and his lands from the time of registration in the Land Titles Office. No execution against lands can issue where amount of claim does not exceed \$50. No lands can be sold under execution until the expiration of one year from the time of delivery to the Sheriff. All writs of execution expire at the expiration of two years from the date of issue, but may be renewed before expiry from time to time for further periods of two years.

EXEMPTIONS.—The following are the exemptions from seizure under all writs of execution issued by any court in Alberta: (1) The necessary and ordinary clothing of himself and his family; (2) furniture, household furnishings, dairy utensils, swine and poultry to the extent of \$500; (3) the necessary food for the family of the execution debtor during six months, which may include grain, flour, vegetables and meat either prepared for use or on foot; (4) three oxen, horses or mules, or any three of them; six cows, six sheep, three pigs, and fifty domestic fowls besides the animals the execution debtor may have chosen to keep for food purposes, and food for same for the month of November, December, January, February, March and April, or for such of these months or portions thereof as may follow the date of seizure, provided such seizure be made between the first day of August and the thirtieth day of April next ensuing; (5) the harness necessary for three animals, one wagon or two carts, one mower or cradle and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sewing machine, one reaper or binder, one set of sleighs and one seed drill; (6) the books of a professional man; (7) the tools and necessary implements to the extent of \$200 used by the execution debtor in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre, defendant to have choice of seed, and fourteen bushels of potatoes; (9) the homestead, provided the same be not more than 160 acres; in case it be more, the surplus may be sold subject to any lien or incumbrance thereon; (10) the house and buildings occupied by the execution debtors and also the lot or lots on which the same are situate according to the registered plan of the same to the extent of \$1,500. None of the above articles except food, clothing and bedding of the execution debtor and his family are exempt from seizure where the subject matter of the action was the price of such articles. Where the debtor has absconded leaving no wife or family behind none of his property is exempt.

FOREIGN COMPANIES.—All companies incorporated outside the province must register under The Foreign Companies Ordinance and pay the registration fees before commencing business in Alberta. Any foreign company carrying on business without

being registered is liable on summary conviction to a penalty of \$50 per day for every day upon which it carries on business without being registered; and the agent or manager within the Province is liable to a like penalty. The fees payable on registration are as follows: For companies having a capital not exceeding \$100,000, \$75; not exceeding \$200,000, \$125; not exceeding \$500,000, \$300; not exceeding \$1,000,000, \$450; not exceeding \$3,000,000, \$500; and for every additional \$1,000,000 or fraction, over \$3,000,000, an extra \$100. A company having no office or warehouse in the Province, but selling goods by travelers or by mail, where the goods are subsequently imported into the Province to fill the orders, is not carrying on business within the Province within the meaning of the Act.

HOLIDAYS (Legal).—Holidays include Sunday, New Year's Day, Ash Wednesday, Good Friday, Easter Monday, the 24th day of May or when such day falls on Sunday, the 25th day of May; to be known as Victoria Day, Christmas Day, the birthday or day fixed by proclamation for the celebration of the birthday of the reigning sovereign, Dominion Day, Labor Day, Arbor Day, being the second Friday in May, or a day fixed in lieu thereof, and any other day appointed by general proclamation for general feasting or thanksgiving.

INTEREST.—There are no usury laws in force in the Dominion of Canada, and individuals and corporations, in the absence of some special statutory prohibition, might stipulate for, allow and exact on bills or notes or on any other contract or agreement, any rate of interest or discount which is agreed upon. Chartered Banks are not allowed to take more than 7%; they do not, however, incur any penalty or forfeiture for usury, and the customary rate exacted by them is 8%. Under the Money Lenders Act (Dominion) no money lender can stipulate for, allow or exact on any negotiable instrument concerning a loan under \$500, a rate of interest greater than 12%, and interest is reduced to 5% from the date of a judgment for the amount due. The violation of this provision of the Money Lenders Act is an indictable offence, punishable by one year's imprisonment or to a penalty not exceeding \$1,000. Where no interest is agreed on or payable by implication of law, the Court may award interest in its discretion in addition to the amount of the debt or claim.

JUDGMENT.—Judgment may be signed in default in all cases where upon the expiration of the time allowed for appearance in the writ, no appearance is entered by the defendant; and if the amount claimed is a liquidated amount, execution may issue immediately. Where a judgment is more than six years old, execution cannot issue without an order of a Judge. Where an execution is returned by the Sheriff *nulla bona*, the execution debtor may be examined under oath as to his assets and affairs and the means he has of satisfying the amount of the judgment. Judgments do not bind any property until execution is issued and lodged with the Sheriff.

LIMITATIONS.—All actions for the recovery of merchants' accounts, bills and notes, and all actions of debt grounded upon any lending or other contract without specialty must be commenced within six years after the cause of such action arose.

Actions to recover money secured by mortgage, lien, etc., charged on or payable out of lands or rents must be commenced within twelve years, and actions on other specialty debts within twenty years.

MARRIED WOMEN.—Married women have all the rights of an unmarried woman with regard to the acquisition, holding or disposition of property. She may enter into any contract and engage in business separate from her husband, and become liable for any debt. She may transfer lands direct to her husband and receive transfers of land direct from him without the intervention of a trustee.

MECHANICS' LIENS.—All persons and corporations doing work or supplying material upon real property within the Province, have a lien thereon under the Mechanics' Lien Act for the amount of their claim, which right to a lien, however, expires upon the expiration of 31 days after the last work was done or material supplied, unless within that time an affidavit embodying the amount of the claim is registered in the Land Titles Office against the title of the property; the right of lien is thereby renewed for a period of 30 days, after which the right expires unless within that time an action is instituted to enforce the lien, and a certificate of commencement of action is registered in the same manner as an affidavit.

PARTNERSHIPS.—Under the Act respecting the registration of partnerships, all persons associated in partnership for trading, manufacturing, contracting or mining purposes, must file in the office of the Clerk of the Registration District in which the business is carried on, a declaration in the form prescribed in the Act, setting forth the names of the partners, date of commencing and place of business, and length of time it is to be carried on, within six months from commencement of such business. The penalty for non-registration is \$100, to be forfeited by each and every member so carrying on business. Changes in the partnership and notice of dissolution should also be registered.

PREFERENCE.—Under the provisions of the Assignments Act, every gift, conveyance, assignment, transfer, etc., made to a creditor within 60 days prior to the making of an assignment for the general benefit of creditors, is void, regardless of the intent of the parties to such gift, conveyance, etc., if the effect of same is to give one creditor a preference over another. If no voluntary assignment is made within the 60 days, such a gift or conveyance, etc., must be attacked within the 60 days period, and is in such an event void as against the creditor or creditors injured.

REGISTRATION.—Chattel mortgages and bills of sale of personal property where no actual and visible change of possession takes place, must be registered, to be effective against innocent purchasers or mortgagees or against executions and attachments. Instruments affecting real property have in general, priority from the date of their registration. A lease for less than three years under which the tenant is in possession, does not require to be registered, and subsequent purchasers and mortgagees take subject to such lease. Leases for a longer term than three years must be in the form prescribed by the Land Titles Act and registered.

SALES IN BULK.—The purchaser of a

stock of goods in bulk shall demand, and the vendor shall furnish, a statement verified by his statutory declaration, which shall contain the names and addresses of all creditors of the vendor, and amount of the indebtedness or liability due or to become due and payable to each creditor, and if such statement is not demanded and furnished the sale shall, in respect to any action which within 60 days is brought against the purchaser to set aside the transaction, be deemed to be fraudulent and shall be void as against the creditors of the vendor, and every disposition made of the purchase money or of a note or security given therefor by the purchaser shall be fraudulent and void as between the purchasers and creditors of the vendor, unless the whole of the proceeds of such sale or sufficient thereof to satisfy the claims of all creditors of the vendor is in fact actually applied by the vendor toward payment of all his creditors, without preference. Where goods purchased in bulk contrary to the provisions of the act are re-sold in bulk and it appears to the court that the sale and re-sale were made for the purpose of avoiding the act, the rights of creditors of the vendor shall be enforceable against the person in possession of such goods in the same way as though they were still in the hands of the original purchaser. Where the purchaser obtains such statutory declaration he shall either obtain the written waiver hereinafter described, or shall pay the whole of the purchase money or sufficient thereof to satisfy the claims of all creditors or deliver his promissory note or other document securing the same, or part thereof, into the hands of an official assignee for distribution pro rata among the creditors of the vendor subject to any preferences provided by law or by previous contract. The fees of the official assignee shall not exceed 3 per cent. of the total proceeds of the sale which shall come to his hands and shall be paid by being deducted out of the moneys to be received by the creditors and not to be charged to the debtor. From and after the furnishing of such declaration no preference shall be obtainable by any creditor by attachment or garnishing process, or otherwise. If the purchaser, upon receiving the statement and declaration, shall fail to observe the requirements of the act without obtaining the written waiver from creditors hereinafter described, he shall be liable to the creditors of the vendor in the amount of

the purchase price, or such part thereof as has not been applied toward payment of all the creditors of the vendor, pro rata, without preference. Any sale of a stock of goods out of the usual course of business, or whenever substantially the entire stock of the vendor shall be sold, or whenever an interest of the business or trade of the vendor is sold, the sale is deemed a sale in bulk, provided, however, that if the vendor produces and delivers to the vendee a written waiver of the provisions of the act from his creditors representing 50 per cent. in number and value of the claims as shown by the written statement, the provisions of the act do not apply. The act applies to traders and merchants who as their ostensible occupation buy and sell goods ordinarily the subject of trade, to commission merchants, and to manufacturers, but not to sales by executors, administrators, receivers, assignees for the benefit of creditors, or sales under judicial process.

STATUTE OF FRAUDS.—No action can be brought on any contract without a memorandum in writing thereof, filed by the party to be charged where the contract is any one of the following:—1. A contract not to be performed within a year; 2. To answer for the debt, default or miscarriage of another; 3. Contract in consideration of marriage. 4. Contract by executor or administrator to answer for the debts of the deceased out of his own estate; 5. Contract for the sale of goods of the value of \$40 or upward, unless there has been a part payment of the goods or a part thereof have been delivered; 6. Agreements relating to land; 7. Agreements for the payment of commission on the sale of land.

VENDORS' LIEN.—In the sale of goods the Vendor has a lien for the purchase price so long as he retains the goods sold in his possession. After he has parted with the possession of the goods, he has the right of stoppage in transit upon the insolvency of the purchaser.

VERIFICATION OF ACCOUNTS.—All accounts and claims must be proved by oral evidence (by commission if necessary), if the defendant disputes the claim. In other cases judgment is obtained by default if it can be shown by the affidavit that defendant has no defence, speedy judgment can be obtained.

UNION BANK OF CANADA**WEST SUMMERLAND.****BANK OF MONTREAL****WILMER.****IMPERIAL BANK OF CANADA****COLLECTION AND ASSIGNMENT LAWS.**

ACTIONS—May be brought by or against a firm in the firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes) is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, in default of appearance. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defense which should be tried in the ordinary way. Actions in the County Court are commenced by a summons, which must be served eight clear days before the return day. County Courts sit every month and have jurisdiction up to \$1,000 in all personal actions and on any action where debt or demand claimed consists of a balance not exceeding one thousand dollars, after an admitted set-off of any debtor demand claimed or recoverable by the defendant from the plaintiff. It has also an equitable jurisdiction up to \$2,500. Small Debts' Court has jurisdiction in matters of simple contract up to \$100.

APPEALS—May be taken to the Full Court within three months after judgment, notice of such appeal to be served within three months after judgment, and also to be served not less than fourteen clear days before the first day appointed for the sittings of the Full Court at which the appeal is, according to the terms of such notice, to be entered for hearing.

ARREST—After an action has been commenced in the Supreme or County Courts for recovery of a debt, money demand, or for damages, and where the defendant is not a person by law exempt from arrest, the defendant may be arrested after affidavit of plaintiff or some other person showing that such plaintiff has a cause of action against the defendant to the amount of \$100 and upwards, or has sustained damage to that amount, and that there is probable cause for believing that the defendant is about to quit British Columbia. A judge of a supreme, county or small debt court may, under a judgment summons, commit the defendant in default of payment if he has transferred his property fraudulently or does not satisfactorily account for same, or in the County and Small Debts Courts, order

him to pay debt by instalments, if on examination, he thinks he can do so, and commit to jail for default of payment.

ASSIGNMENTS—There are no insolvency or bankruptcy laws in force. Assignments or debts must be in writing and express notice in writing given to the debtor. Preferential assignments or cognovits, giving one creditor priority, are void as against other creditors. A debtor may make a general assignment to a trustee or trustees for the benefit of creditors, rateably and proportionately. Such deed of assignment must be registered forthwith in each of the land registry offices in the Province, but shall not take effect until recorded in the office for the district where debtor resides or has his principal place of business. Trustees shall publish notice of deed within fourteen days from execution by debtor.

ATTACHMENTS—No original attachment, except where debtor has absconded leaving property.

CHATTEL MORTGAGES—Every bill of sale (which includes chattel mortgages) or a true copy thereof, shall, within the period of five days where the goods referred to in the bill of sale are within the corporate limits of a city or town in which is situate an office of the County Court wherein such bill of sale may be registered, and in all other cases a period of twenty-one days after the making thereof next ensuing, be registered by the filing of such bill of sale or copy thereof, as the case may be, together with an affidavit by the party receiving the bill of sale or chattel mortgage that it is given bona fide to secure an indebtedness and not to protect the party giving it in the County Court Registry of such county or place within which the chattels referred to and dealt with in and by such bill of sale are situate. If not so registered it is null and void as against creditors of mortgagor, a creditor of the maker of a bill of sale or chattel mortgage may demand a statement of the accounts as between the maker and grantee which must be furnished within 15 days of demand accompanied by an affidavit verifying it. If demand frivolous, judge may decree costs against party demanding.

(From *Fraudulent Preference Act*).—Where a party giving a bill of sale or chattel mortgage makes an assignment for the benefit of creditors within 60 days of the giving of bill of sale or chattel mortgage; or an action is brought by another creditor within 60 days of the giving of bill of sale or chattel mortgage to set the transaction aside, the bill of sale or chattel mortgage becomes void, except in the case

where it is made in consideration of a bona fide payment in money or for a present actual bona fide advance of money or a present actual bona fide sale or delivery of goods or other property, or where security by way of mortgage is given to a creditor for a pre-existing debt and an advance in money made to the mortgagor in the bona fide belief that the advance will enable the debtor to continue his trade or business and pay his debts in full.

COMMERCIAL TRAVELERS' LICENSE.—Commercial travelers for liquor and cigars not being residents of British Columbia must not take or solicit orders for anything to be imported into the Province to fill such orders until he takes out a license under penalty of a fine not to exceed \$100 and the license fee. No goods or personalty, however, is exempt from seizure in respect to debts contracted in regard to the identical goods. MANITOBA—ABSTRACT OF COLLECTION LAWS, ETC.

AFFIDAVITS.—When made outside of the Province for use in the Province should be made before (a) a Notary Public who shall affix his seal; (b) any Judge of any court who shall affix the seal of the Court; (c) any Mayor or any other officer of a municipal corporation who shall affix the seal of the corporation.

ALIENS.—Every kind of property may be held and disposed of by aliens in the same manner as by British subjects.

ARREST.—Arrest for debt has been abolished.

ASSIGNMENTS.—See Bankruptcy.

ATTACHMENTS.—A debtor is liable to have his property, real and personal (except such as is exempt from seizure and execution), attached for payment of a debt or the satisfaction of a legal cause of action as follows: Where debt or cause of action does not exceed \$500. (a) Where debtor absconds from the Province leaving personal property; (b) attempts to remove personal property out of the Province or is immediately about to make such removal; (c) keeps concealed within Manitoba to avoid service of process. Where debt or cause of action is over \$500 attachment may issue against real or personal property of the debtor not exempt from seizure. (a) Where debtor departs from Province with intent to defeat or defraud his creditors or to avoid being arrested or served with a process or keeps himself concealed within the Province with like intent; (b) in the case of non-resident debtor liable to resident creditor; (c) in the case of debtor having transferred or intending to transfer property to defraud creditors. In the above cases an order for attachment may be obtained in an action commenced in the usual manner. (See Garnishments.)

BANKRUPTCY.—There is no bankruptcy law in the Province, but a debtor may make an assignment for the benefit of his creditors and insure a rateable distribution of his assets under the control of his creditors. At the same time the debtor will still continue liable for the balance of his debts unless there is an agreement with the creditors to the contrary.

BILLS OF EXCHANGE AND PROMISSORY NOTES.—These are governed by Dominion Statutes. Bills do not bear interest (unless expressed on the face) until after maturity. After maturity the legal rate of 5 per cent. can be recovered. Promissory notes and bills of exchange do not require to be stamped and are negotiable and are subject to the right of set off between the original parties, but not in the case of a holder for value without notice, and bills must be presented for payment at maturity and notice of dishonor given to bind endorsers, otherwise, as a general rule, they will be discharged. All bills and notes should be presented for payment. A protest is *prima facie* evidence of presentment and notice. Three days' grace is allowed on notes and bills of exchange except when payable on demand. When days of grace expire on a legal holiday the next day shall be the last day of grace.

BILLS OF SALE AND CHATTEL MORTGAGES.—Sales and mortgages of personal property not accompanied by an immediate delivery and followed by an actual con-

tinued change of possession are absolutely void as against creditors of vendor and mortgagee and subsequent purchasers or mortgagees in good faith for value without actual notice unless a bill of sale or mortgage be filed with the Clerk of the County Court in the Judicial Division where the goods and chattels are situated within twenty days of the date thereof, accompanied by an affidavit of execution and an affidavit of the vendee or mortgagee showing the good faith of the transaction; such mortgage must be renewed within thirty days preceding the expiration of two years from date of filing, by filing a statement exhibiting the interest of the mortgagee and showing the amount due and payments made and an affidavit that the mortgage is not kept on foot for any fraudulent purposes, otherwise it will cease to be valid as against creditors and other subsequent purchasers and mortgages in good faith for valuable consideration. In respect of such sales mortgages and renewals the Bills of Sale Act must be strictly observed, otherwise there is danger of the documents not being valid.

COMMERCIAL TRAVELERS.—The municipal councils are authorized to pass by-laws controlling, regulating and licensing commercial travelers.

CORPORATIONS.—Corporations are created by act of the Provincial Legislature and by Letters Patent under the Joint Stock Companies Act of Manitoba, and by Act of Dominion of Canada and Letters Patent of Dominion of Canada. Shareholders are generally only liable on the amount remaining unpaid on their shares. Foreign Corporations (which include Corporations incorporated by Dominion of Canada) with a few exceptions must obtain a license to carry on business in Manitoba. If such foreign corporation does business in Manitoba by resident agent without first obtaining such license such corporation cannot sue, in respect of sales made, in the Courts of the Province until licensed, and such general agent and foreign corporation are both liable to penalties.

COURTS.—Claims for debt or money demands to the amount of \$500 can be sued for in the County Court (where the court fees are small). Where the amount is over \$500 action must be brought in the King's Bench. Non-resident plaintiffs may be required to give security for costs. The usual amount in the County Court is \$25 and the usual amount in the King's Bench is \$200, but same may be increased.

EVIDENCE.—See Testimony.

EXECUTIONS.—In case of executions in the County Court against traders there is no priority (unless the amount is under \$50.00) each execution creditor shares equally. Where the debtor is a non-trader and execution is issued and realized on there is no delay about paying the moneys over to such execution creditor. An execution in the King's Bench binds all goods of the judgment debtor in the Sheriff's division from the date of being placed in the hands of the Sheriff for a period of two years, before expiration of which, same must be renewed. In case of County Court Execu-

tions same only binds goods from seizure. Lands are not bound by execution but the judgment creditor must obtain a certificate from the proper officer and register same in the Land Titles Office or Registry Office in which the lands are situated so as to bind the lands. Such registration must be renewed every two years and such judgments registered take priority against lands according to date of registration. In Manitoba this binds all lands of the debtor registered in the said Land Titles Office or Registry Office which he now has or afterwards acquires, proceedings may be taken before the Court to sell any of said lands, but in any such case the judgment debtor is entitled to his exemptions in respect of exempt lands. All moneys realized by the Sheriff or by the Bailiff against a trader where the amount is over \$50.00 are advertised in the Official Gazette and are held for three months subject to distribution at the end of such time amongst judgment creditors who have placed executions in the hands of such Bailiff or Sheriff. An execution issues in the County Court six days after judgment. In the King's Bench forthwith after judgment.

EXEMPTIONS.—The following real and personal property are exempt from seizure and sale under writs of execution or other process. 1st—Bed and bedding in the common use of the judgment debtor and his family and the household furniture not exceeding five hundred dollars in value. 2nd—Necessary and ordinary clothing of the judgment debtor and his family and necessary fuel for six months. 3rd—Twelve volumes of books, books of professional man, one axe, one saw, one gun, six traps. 4th—Necessary food for judgment debtor and his family during eleven months. 5th—Three horses, mules or oxen, six cows, ten sheep, ten pigs, fifty fowls and food for the same for eleven months (horses exempt only if used by judgment debtor to earn his living). 6th—The tools, agricultural implements and the necessities used by the judgment debtor in his trade or calling to the value of five hundred dollars. 7th—Articles and furniture necessary to the performance of religious services. 8th—Land upon which the defendant and his family actually resides or which he cultivates, wholly or in part, or which he actually uses for grazing or other purposes, provided it be not more than one hundred and sixty acres, if more the surplus may be sold. 9th—House, stables, barns and fences on such land. 10th—Seeds necessary for seeding eighty acres. 11th—Actual residence or home of any person other than a farmer, provided the same does not exceed in value fifteen hundred dollars; if it exceeds such value then it can be offered for sale and sold, the fifteen hundred dollars to be paid over to the debtor and the fifteen hundred dollars being exempt from seizure under execution, garnishment, attachment for debt or any legal process. Partnership firms cannot claim exemptions for the several partners, but one only for the firm. Wages are exempt from garnishment to the extent of twenty-five dollars a month. None of these exemptions can be claimed on behalf of a debtor who is in the act of removing from the Province or about to do so, or who has absconded, taking his family with him. Agreements to waive exemptions are null and void.

FOREIGN CORPORATIONS.—Foreign corporations cannot hold lands in Manitoba unless they are licensed. See also corporations.

GARNISHMENT.—In both King's Bench and County Court certain plaintiffs in actions for debt may at any stage of the action garnish all debts, obligations and liabilities due, owing and payable or accruing due. The sum of \$25.00 per month is exempt out of wages from garnishment.

INTEREST.—There are no laws against usury except in the case of banks who may not charge more than seven per cent. and also in the case of money lenders who make a practice of lending money at a higher rate than ten per cent.; no such person may charge more than twelve per cent. on any sum under \$500. The legal rate is five per cent., but except as above indicated any rate may be agreed upon. Interest may be recovered on an open account from and after demand and notice that interest will be charged if the account be not paid.

JUDGMENTS.—Judgments remain in force for ten years without renewal. They are not a lien upon either personal or real estate of the debtor. Execution must issue for the purposes of binding goods and chattels and certificate of judgment must be registered for the purposes of binding lands. Execution may issue at any time within six years. A judgment is renewable by suit in the ordinary way, but no action can be brought upon a judgment recovered on a previous judgment, whether same is recovered in the Province or elsewhere.

LICENSES.—These are matters left to the jurisdiction of municipalities. Most municipalities have strict by-laws regarding transient traders.

LIEN NOTES.—Vendors by agreement may retain the right of possession and the title to goods bargained for provided the manufactured goods have the manufacturer's name or some other distinguishing mark attached and in default of payment the Vendor may summarily retake the article bargained for without legal process. This agreement must be in writing.

LIMITATIONS OF ACTIONS.—On contracts not under seal action must be brought within six years from the accruing of the cause and action on contracts under seal within ten years. Actions for the recovery of real estate within ten years. Acknowledgment of debt or part payment is sufficient to take the case out of Statute after which it begins to run anew. Foreign judgments are simple contracts when it is sought to enforce them in Manitoba.

MARRIED WOMEN.—May hold and enjoy property free from the debts and control of their husbands in as full and ample a manner as if unmarried and may contract with respect to their separate property and may also trade and carry on business as if unmarried. A husband is liable for the debts of his wife to the amount of money which he received with her at marriage, if any.

MECHANICS' LIENS.—Every mechanic, machinist, laborer, miner or any other person doing work upon or furnishing material to be used in the construction, alteration, or repair of any building, land, wharf, pier, bulkhead, bridge, trestlework, vault, mine, well, excavation, sidewalk, paving, fountain, fish pond, drain, sewer, aqueduct, roadbed, way, or building or any of them, shall have a lien or charge for the price of such work or materials upon such building, wharf, pier, etc., and the lands occupied thereby or enjoyed therewith and limited in amount to the sum justly due to the person entitled to such lien provided that no lien shall exist for any sum under \$20.00, such lien shall attach upon the estate or interest in such lands, buildings, etc., of the owner at whose instance or request and upon whose credit or with whose privity and consent or for whose direct benefit such work will have been done or such materials, etc., placed or furnished. Provided that in case the lien is claimed by a sub-contractor, the amount shall be limited to the amount payable to the contractor or sub-contractor for whom the work shall have been done or materials sup-

plied. No lien shall continue to exist unless the claim of lien in accordance with the act is filed in the Land Titles Office or Registry Office for the district in which the land affected is situated within thirty days from the completion of the work or supplying the materials, which claim must be strictly in accordance with the Mechanics and Wage Earners' Lien Act, 1898, and amendments thereto. A person filing a lien must bring action in the proper court within ninety days from the completion of the work or supplying material and register *lis pendens* against the lands in the proper Land Titles Office or Registry Office, otherwise again the lien will cease. In case the land is encumbered by a mortgage such mortgage shall take priority only to the extent of the value of the lands before commencement of the work, etc. A lien has priority over judgments, executions, assignments, attachments or garnishing orders issued or made after such lien arises. Any number of lienholders may join in one action. In the event of sale of the lands or buildings covered by the liens under proceedings through the court the proceeds are divided pro rata. In the event of death the right of lien goes to the personal representative. The owner entering into contract for building must retain 20 per cent. of the contract price if the contract is less than \$15,000, and 15 per cent. if over \$15,000 to provide for liens. Wage earners have priority on this sum over all lien holders for thirty days wages.

MORTGAGES ON REAL ESTATE.—Must be registered, otherwise subsequent mortgagees without notice may register and obtain priority.

PROOFS OF CLAIMS.—In cases where assignments have been made the assignee is entitled to particulars of claim proved by affidavit or declaration. The creditor must state whether he holds security for the claim and such security may be valued and deducted from the claim or the assignee may take an assignment thereof at an advance of 10 per cent. of its specified value.

REPLEVIN.—When any goods and chattels have been wrongfully distrained, taken or detained they can be replevined. This must be done in accordance with the King's Bench Act or the County Court Act, in accordance with whether the value of the goods is under or over \$500. The claimant must give a bond double the value of the goods.

SALES IN BULK.—The purchaser of stock of goods in bulk shall demand and the vendor shall furnish a statement showing particulars of the debts over \$50, verified by declaration, and if such statutory declaration is not demanded and furnished same shall be deemed fraudulent and shall be void as against the creditors of the vendor unless the proceeds is applied by the vendor on and towards payment of his creditors pro rata without preference. Where the purchaser obtains such statutory declaration he shall either obtain a written waiver from the creditors of the vendor or shall pay the whole of his purchase money or deliver his promissory notes or other documents securing the same into the hands of a Trust Company or an official assignee for distribution pro rata among the creditors of the vendor. The fees of any such trust company or official assignee shall not exceed 3 per cent. of the total proceeds of such sale and shall come to its or his hands, and shall be deducted out of the moneys received and shall in no case be charged to the debtor, and no preference or priority shall be obtained by any creditor after the furnishing of such declaration by garnishing process or otherwise. If the purchaser, upon receiving statutory declaration, fails to deliver such moneys or goods into the hands

of a trust company or official assignee for distribution, same shall be deemed fraudulent and shall be absolutely void as against the creditors of the vendor unless the whole proceeds of such sale are in fact actually applied by the vendor in payment of his creditors pro rata. Any sale or transfer of a stock of goods, wares and merchandise and part thereof out of the usual course of business or any interest in the business or trade of the vendor so conveyed such sale shall be deemed Sale in Bulk within the meaning of the Act, provided however if the vendor produces and delivers to the purchaser a written waiver from fifty per cent. of his creditors in number and value the provisions of the act shall not apply. The act applies to traders as defined therein.

STATUTE OF FRAUDS.—The following agreements must be in writing: (1) Those not to be performed within the year; (2) Those to answer for the debt, default or miscarriage of another; (3) Agreements in consideration of marriage; (4) By executor to answer for the debts out of his own estate; (5) Contracts for the sale of goods to the value of \$50.00 and upwards unless part delivered or part payment; (6) Agreement for sale of lands (but leases for a term less than three years need not be in writing).

SERVICE OF PROCESS.—Unless the contrary is ordered in most cases this must be personal.

STOPPAGE IN TRANSITU.—This exists only so long as the goods are in the course of transit and is terminated by delivery to the consignee or by *bona fide* assignment of the Bill of Lading.

TAXES.—Lands may be sold for taxes when taxes are in arrears for more than a year. Redemption may be made at any time before the expiration of two years from the tax sale by applying to the Treasurer of the municipality, village or city in which the lands are situated. After two years the tax purchaser makes application to the District Registrar of the Land Titles Office where the lands are situated for title. The District Registrar requires six months notice of the application to be served either personally or substitutionally as he may order on all persons appearing to have an interest in the lands and until the notice has been served and the time given elapsed any person interested may redeem by applying to said District Registrar.

TESTIMONY.—The rules of evidence in Manitoba are those prevailing in England on the 15th day of July, 1870, to some extent modified by local enactment. Evidence used in court is oral, unless taken under commission or under order of the Court. No person is disqualified as a witness by reason of interest. Husbands and wives are competent and compellable witnesses. A witness can affirm instead of taking the usual oath. In collection cases where the action is undefended no proof is necessary. Where the defendant defends to gain time and an application is made to strike out the defense an affidavit is sufficient. If the case goes to trial, the evidence must be taken personally at the trial or under commission. In forwarding claims for collection the full names must be given of persons constituting a partnership, and if the firm is incorporated same must be stated, and also it should be stated if the corporation is licensed in Manitoba. Full details of the claim should be given in all cases.

VERIFICATION OF ACCOUNTS.—Verification is of no use and accounts and claims must be proved by evidence by the plaintiff, or by admission to the defendant, or by witnesses examined in court, or under a commission under order of the Court.

NEW BRUNSWICK—ABSTRACT OF COLLECTION LAWS, ETC.

ABOLITION OF PRIORITY AMONG EXECUTION CREDITORS.—The Creditor's Relief Act of 2nd Edward the VIIth. Cap. 111, A.D. 1902, abolishes priority among execution creditors. If sheriff levies money on an execution against a debtor where the amount endorsed to levy is upwards of \$200 or if the debtor permit such execution under which any of his goods are seized to remain unsatisfied in the sheriff's hands till within two days of the time fixed for the sale, or for twenty days after seizure, or allows execution endorsed as aforesaid against his land to remain unsatisfied for nine months; proceedings under this Act may be taken by other creditors whether their claims are overdue or not and upon duly filing certificates of their claims with the sheriff, any money which he holds or which shall afterwards be received by him upon any levy against the said debtor is distributed ratably among such creditors as have filed their certificates.

ARREST.—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

ASSIGNMENTS.—Until the passing of the Act N. B., 58 Vic., cap. 8, a debtor could make an assignment by deed to trustees for the benefit of his creditors giving preferences if he so desired. By this Act, which was passed on the 5th of March, 1895, and came into force at that date, no person being at the time in insolvent circumstances or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario every full and carefully prepared synopsis of the same may be found.

ATTACHMENTS.—The property of an absconding, absent or concealed debtor upon application of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See Garnishee.)

CHATTEL MORTGAGES OR BILLS OF SALE.—They require to be filed within thirty days of the date of execution, otherwise are void as against third parties, and must be renewed every twelve months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account; and in case of failure to file such statement and affidavit within the time aforesaid any creditor of the mortgagor may by a written notice served upon such mortgagee require him to file such state

ment and affidavit, and if same are not filed within thirty days after service of such notice then such mortgage shall cease to be valid as against any execution against the goods and chattels of the mortgagor issued at the suit of such creditor. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the Province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages of vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

COMMISSIONS.—Commissions to take evidence are issued from courts of record, viz.:—The supreme and county courts.

CONDITIONAL SALES OF CHATTELS By the New Brunswick Statutes 62 Victoria Cap. xii, receipt notes, hire receipts, and orders for chattels given by bailees of chattels where the condition of the bailment is such that the possession of the chattel passes without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money or some stipulated part thereof are only valid as against subsequent purchasers or mortgages without notice in good faith for valuable consideration in the case of manufactured goods or chattels, which at the time possession is given to the bailee have the name and address of the manufacturer, bailor or vendor of the same printed thereon or attached thereto, and no such bailment shall be valid as against such subsequent purchaser or mortgagee as aforesaid unless it is evidenced in writing signed by the bailee or his agent, and a copy of such writing filed with the registrar of deeds of the county in which the bailee or conditional purchaser resided at the time of the conditional purchase writing. The registrar files such writings upon payment of ten cents for every such filing.

EXECUTIONS.—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

EXEMPTIONS.—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

GARNISHEE.—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due exceeds \$80, may obtain an attaching order, garnisheeing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of \$20, exempt from garnishment.

INTEREST.—If no rate be mentioned five per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account unless by agreement to that effect. Bills and notes carry interest after their maturity; judgments also carry interest at the rate of five per cent.

JUDGMENTS.—Judgments are obtained in county courts, if no defense, in thirty days, and in Supreme Court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction

of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within twenty days after service upon him. If the defendant appears to a writ of summons so specially endorsed, the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debt or cause of action, and stating that in his belief there is no defense to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defense to the action on the merits, or discloses such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

JURISDICTION OF COURTS.—Magistrates \$20, in tort \$8; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort; supreme court \$400 and upwards.

LEGAL HOLIDAYS.—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day July (1), Christmas Day, and any day appointed by proclamation for a public holiday or general thanksgiving. If any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

LIMITATIONS.—Notes and accounts are barred by statute in six years.

MARRIED WOMEN.—Are competent to make binding contracts on themselves or their property. By "The Married Women's Property Act" acts of the New Brunswick General Assembly, 1896, Chapter xxiv, which act came into force on the first day of January, A. D., 1896, a married woman is capable of acquiring, holding, and disposing by will or otherwise of any real or personal property as her separate property in the same manner as if she were a *feme sole*, without the intervention of any trustee. She is also capable of entering into and rendering herself liable in respect of and to the extent of her separate property on any contract, and of suing and being sued in all respects as if she were a *feme sole*, and her husband need not be joined with her as plaintiff or defendant or be made a party to any action or other legal proceeding brought by or taken against her; and any damages or costs recovered by her in any such action or proceeding, shall be her separate property, and any damages or costs recovered against her in any such action or proceeding, shall be payable out of her separate property and not otherwise. Every contract entered into by a married woman, otherwise than as agent, is deemed to be a contract entered into by her in respect to and to bind her separate property, whether she is or is not in fact possessor of or entitled to any separate property at the time when she enters into such contract, and such contract binds all the separate property which she may have at that time or thereafter be possessed of or entitled to. It is, however, expressly provided that nothing contained in the act shall prejudice the husband's tenancy or right to tenancy by the curtesy in any real estate of the wife.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim of lien must be registered in the office of the registrar of deeds, and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable.

PARTNERSHIPS.—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every day's neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 97.

Limited Partnerships.—Limited partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or more special partners. The special partners con-

tribute to the common stock a specific sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of residence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not so made, the partnership shall be deemed general. The business of the partnership must be conducted by the general partners under such firm name as they shall adopt, and if the name of any special partner be used as such firm name, or, part of the same, with his consent and privity and without the addition thereto of the words "special partner," he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B., 52 Vic., cap.

VERIFICATION OF ACCOUNTS.—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

COMMERCIAL TRAVELERS' LICENSE LAWS.

NEWFOUNDLAND—ABSTRACT OF COL- LECTION LAWS, ETC.

AFFIDAVITS.—In causes or matters depending in the Supreme Court affidavits may be sworn in any part of His Majesty's dominions, before any judge, court, notary public, or other person lawfully authorized to administer oaths, and in foreign parts before any British consul or vice-consul.

ARREST.—In any action where the sum of \$50 or upwards is involved, a judge may order a warrant for the arrest of the debtor, at any time after writ issued and before judgment, upon affidavit of plaintiff or his agent showing the nature of the claim and such facts as satisfy the judge that there is probable cause for believing debtor has made or is about to make some disposition of his property, or is about to quit the Colony with intent to defraud his creditors generally or plaintiff in particular, or that his absence will materially prejudice the prosecution of the action, or that he is possessed of means of payment which he withholds from his creditors. Detaining creditor must pay a certain amount per diem to sheriff for maintenance of debtor whilst under arrest.

ASSIGNMENTS.—Assignments and payments made or given by any insolvent within two months prior to his declared insolvency, and with a view to give an undue preference to any creditor, are null and void in case the person taking or recovering the same or for whose benefit the same was taken or received had notice or was aware of the insolvency. Voluntary assignments may be made for the benefit of creditors, but there is no law to compel same, the remedy being by petition in insolvency, upon which a trustee will be appointed by the court.

ATTACHMENTS.—At any time after the issue of a writ of summons a warrant of attachment of the property debts and effects of defendant may be issued by plaintiff, upon the filing of a sufficient affidavit made by plaintiff or some person on his behalf, showing defendant to be justly and truly indebted to plaintiff in a liquidated amount of \$20 or upwards in a cause of action to be therein set forth. When debt or damages are unliquidated, the court or a judge may, upon a sufficient affidavit in that behalf, stating the nature of the claim and particulars of the damage actually sustained, and showing that defendant is about to make some disposition of his property, or is about to sell or dispose of the subject matter of the action or remove same beyond the jurisdiction, order a warrant of attachment to issue.

DEEDS.—All deeds affecting lands in the Colony should be registered in the registry of deeds. Such registration is not essential to the validity of deeds, but unless so registered they are void against any subsequent purchaser or mortgagee for value, who shall first register, or against any trustee in insolvency, or trustee for benefit of creditors, or against subsequent attachments, either on mesne or final process. For registration deeds may be proved (a) by the acknowledgment under oath of all the parties executing from whom any interest passes, (b) by the oath of a subscribing witness or witnesses that all the parties from

any interest passes executed the same in his or their presence. Such acknowledgment may be taken and oath administered within the Colony by (1) The registrar of deeds, (2) A judge of the Supreme Court, (3) The Deputy Registrar or any clerk appointed under the Registration of Deeds Act, (4) A commissioner of the Supreme Court, (5) A Justice of the Peace; and without the Colony by (1) A Judge of a Court of Record, under the seal of such Court, (2) The Mayor or Chief Magistrate of any city or town under the seal of such city or town, (3) A Notary Public under his official seal, (4) Any of His Majesty's Consuls or Vice Consuls, (5) A Commissioner of the Supreme Court of Newfoundland. It is unnecessary to prove or certify the seal or signature of any of the above officials. In any case either within or without the Colony the execution of a deed by the parties thereto in the presence of any of the persons authorized to take the acknowledgment of such parties may be substituted for such acknowledgment under oath and the usual certificate should be varied accordingly.

EXECUTIONS.—Execution may be levied upon moneys, bank notes, bills of exchange, cheques, debentures, bonds and other securities for money, choses in action, equitable interests in property real or personal and all other property and effects whatsoever. Debts and goods may be garnished in the hands of third parties. Writs of execution remain in force for one year but may be renewed before expiration for another year and so on from time to time.

EXEMPTIONS.—From attachment, execution, distress for rent and from operation of insolvency laws: working tools and implements of trade, fishing skiff or punt, necessary cooking apparatus, bedding and wearing apparel of debtor and his family.

INTEREST.—Interest at the rate of 6 per cent. may be allowed by the jury on debts or sums certain due by virtue of a written instrument at a certain time, or if payable otherwise then from the time when demand of payment shall have been made in writing, so as such demand shall give notice to the debtor that interest will be claimed from the date of such demand until the time of payment.

JUDGMENT.—May be had four days after service if defendant resident in St. John's; if resident elsewhere in the Colony eight days after service. When the defendant is resident outside the Colony, appearance must be entered within the time allowed by court, failing which judgment may be entered. Execution on judgment may issue at any time within six years, after which time an order for leave is necessary. Judgment carries interest at five per cent.

JURISDICTION OF COURTS.—1. All Magistrates and two or more Justices of the Peace have jurisdiction to hear and determine in a summary way all civil actions for recovery of debt or damages to the amount of \$200, except actions for malicious prosecution and actions against Justices or public servants for

acts done in discharge of their duties. An appeal lies to next sitting of the Supreme Court in cases where over \$20.00 is involved in the judgment. Magistrates or two or more Justices also have jurisdiction to any amount concerning the wages of laborers engaged in lumbering or mining, of servants in the fisheries, the supplying of bait, the hiring of boats for the fisheries and the wages or shares of seals of any person engaged in the seal fishery, but in case of damages for wrongful dismissal in connection with seal fishery jurisdiction is limited to \$40.00. 2. The Supreme Court has jurisdiction over all causes and matters to any amount. Appeal from the Supreme Court lies to the Privy Council where amount over \$2,000 are involved.

MARRIED WOMAN'S PROPERTY ACT
—Under this married women may trade on their own account without husband's consent, and are liable to the insolvency laws. They may acquire, hold and dispose of property without intervention of trustees. Generally our law, statutory and otherwise, is the same on this subject as that of England.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary every mechanic doing work or furnishing material for the construction of any building, etc., may have a lien upon the building and lands occupied therewith. In cases of leasehold the freehold may also be charged by consent of the owner thereof. The amount chargeable by sub-contractor is limited to the amount payable to the contractor or sub-contractor as the case may be. The owner may pay parties having an unpaid account or demand against the lien holder in respect of work done or materials furnished for the building, upon receiving notice within thirty days of same, and such payment is deemed a satisfaction *pro tanto* of such lien. The lien must be registered during the progress of the work, or within thirty days of completion, and proceedings to enforce it must be taken within ninety days from completion.

Commercial travelers are not required to take out any license in this Colony.
